

**BRECKSVILLE RESERVATION:** John Shaughnessy 330-592-5613 jcsamf@aol.com  
Located in Brecksville and bounded by Rt. 21(Brecksville Rd.), Parkview Rd.  
Chippewa Rd. (Rt.82) Riverview Rd. and Snowville Rd. This Reservation connects  
to the Mill Stream Reservation.

There are over 3470 acres and miles of well-maintained trails that are hilly but  
have long stretches of flat. Trailers can be parked at Brecksville Stable-Meadows  
Drive in the meadow as long as it is dry enough or lengthwise on the right side of  
the blacktop. The restrooms are located in the stable and there is a picnic table.  
Parking also at Station Rd trailhead off Riverview Rd just south of Rt.82

Point of interest: The loop trail around the stable takes you to the newly opened  
Valley Trail a primitive trail heading to the Wetmore Trail system in Peninsula.  
This section alone is about a ten-mile trail and would need to be retraced to  
return to the stable. The Brecksville trail system takes about two hours to ride  
with dogleg extensions that would greatly extend the time.
